Further to adoption by NATO parliamentarians conference Friday afternoon Jackson report scientific and technical personnel, following is text resolution:

## QUOTE

This third annual conference of NATO parliamentarians,

Inasmuch as effective implementation of the report of the committee on scientific and technical personnel requires specific action by the North Atlantic Council as well as the widest appreciation and consideration,

Directs the standing committee to submit this report to the North Atlantic Council urging that it be brought to the attention of the forthcoming heads of governments meeting, with particular emphasis on those proposals specifically related to the North Atlantic Treaty Organization, IC

- (I) The talent development scholarship program;
- (II) The mathematical science awards program for high school students;
- (III) The summer institutes program;
- (IV) Cooperative project research under NATO contract;
- (V) The NATO defense missile training center;
- (VI) The Atlantic Institute for defense studies (aids),

Instructs its standing committee to forward copies of this resolution
